Il colore come scelta estetica primaria, soluzioni progettuali di grande attualità, ampia libertà compositiva, elementi d'arredo funzionali e versatili, disponibili in una vasta gamma di forme, materiali, finiture. Una collezione di cucine che permette il massimo grado di personalizzazione, grazie anche ai vani a giorno laccati, che possono essere alternati alle ante per creare soluzioni compositive di grande originalità. Noemi: l'interpretazione contemporanea della cucina.

Colour as a primary aesthetic choice, the latest design solutions, complete freedom of composition, practical, versatile furnishing items available in a vast range of forms, materials and finishes. A collection of kitchens that allows for maximum customisation thanks to open lacquered compartments that can be alternated with the doors to create highly original compositions. Noe i: the contemporary interpretation of the kitchen.

LINEAR

Composizioni lineari rinnovate nel progetto per ottenere più spazio e maggiore volume in cucina. Gli accessori, i pensili a giorno, i vetri colorati svolgono il ruolo di attore protagonista in cucine che sono state pensate nell'intento di andare incontro alle esigenze estetiche più attuali.

Fresh linear layouts for more kitchen space and volume. Accessories, open wall units and coloured glass play the leading role in kitchens designed to meet the latest style demands.

BLOCKS

Eleganti e versatili le composizioni a blocchi funzionali interpretano con facilità l'ambiente cucina, ridefinendo gli spazi e rivoluzionando il concetto che vede la cucina una semplice sequenza di basi e pensili.

Versatile elegance comes to the kitchen in this functional block layout. Spaces are redefined and the traditional wall unit/base unit concept is revolutionised.
