Design Ollen Pal

Cilindro con top in marmo è il tavolo di design dallo stile raffinato e inconfondibile che saprà conquistare ogni ambiente in cui verrà collocato. Pensato dal designer Ollen Pal, questo complemento d'arredo elegante e raffinato è realizzato con la base superiore in metallo verniciato e anello inferiore, mentre il piano è in marmo lucido tondo, rettangolare o sagomato, con bordi obliqui dello spessore di 20 mm. Il tratto distintivo di questo tavolo di design è il basamento cilindrico in metallo verniciato monocolore o bicolore. In questa versione viene ulteriormente esaltato grazie al prezioso anello in marmo che si coordina con il top. Il carattere deciso e unico di questo tavolo in marmo viene valorizzato ulteriormente dalla sedia Manta in pelle avorio. Disponibile anche con piano in cristallo, legno o ceramica.

Cilindro with marble top is the refined and unmistakable design table that will conquer every environment in which it is placed. Designed by Ollen Pal, this elegant and refined piece of furniture is made with a painted metal upper base and lower ring, while the top is made of polished marble, available in round, rectangular or shaped with oblique edges of 20 mm thickness. The distinctive feature of this design table is the cylindrical base made of painted metal, available in monochrome or bicolour. In this version, it is further enhanced thanks to the precious marble ring that coordinates with the top. The strong and unique character of this marble table is further enhanced by the ivory leather Manta chair. The table is also available with tops made of glass, wood, or ceramic.
