Emilio Nanni

Alunna

Dalla creatività e dalla esperienza di Emilio Nanni nasce Alunna, ideale compagna del tavolo Maestro, con cui condivide la matrice ispiratrice e concettuale. Il segmento, quale entità geometrica primaria e quale iconico elemento strutturale, rappresenta il tratto caratterizzante di entrambi i progetti. Nella sedia Alunna, il contrasto tra la struttura reticolare della base e la morbida seduta crea un binomio di grande effetto: puro, raffinato, sofisticato. Le quattro gambe tubolari si raccordano tra loro riprendendo il disegno delle gambe di Maestro, ma trovando una soluzione meno radicale e spigolosa: le finiture metalliche mettono in evidenza il loro delicato intreccio e fanno risaltare la seduta imbottita e rivestita. Il dettaglio delle cuciture e la bicromia del rivestimento conferiscono ad Alunna un fascino eloquente, che la rende desiderabile in ogni ambiente della casa e adatta anche ad impreziosire l'ufficio.

^{EN} Emilio Nanni's creativity and experience have come together in Alunna, the ideal companion to the Maestro table, with which it shares the inspirational and conceptual blueprint. The distinguishing trait shared by both designs is the segment, seen as a primary geometric entity and as an iconic structural element. In the Alunna chair, the contrast between the reticular structure of the base and the soft seat creates a striking marriage: pure, refined, sophisticated. The four tubular legs connect together, echoing the design of the Maestro's legs, but adopting a less radical, less angular solution: the metal finishes highlight their delicate intertwining and set off the padded upholstered seat. The stitching detail and two-tone upholstery give Alunna an eloquent appeal, making it a desirable object for any room of the home as well as an embellishing addition to the office.
