Brema

Estrema libertà di scelta estetica e funzionale, massima personalizzazione nel segno del rigore e dell'eleganza formale: il ritratto di Brema ha tanti volti. Un incredibile gamma di materiali, che spaziano dai laccati lucidi ed opachi, ai legni, ai materiali sintetici, tra cui scegliere la finitura desiderata o le finiture nel caso si preferisca un effetto multicolore. Diverse altezze e finiture del basamento per avere un design più schiacciato o più slanciato, raffinate maniglie in cuoio o l'essenziale sistema d'apertura delle ante push-pull.

EN A sideboard of many faces, Brema is all about unfussy lines and formal elegance while giving you the utmost freedom to tailor the look and function of the piece to your individual tastes. An incredible array of materials, ranging from matt and gloss lacquered colours to wood finishes and synthetic materials, which you can customize further with your choice of finish - or finishes if you prefer a multicoloured effect. The base comes in different heights and finishes allowing you to go for a squat design or something more slender, with a choice of refined belt leather handles or the more minimalist push-to-open doors.
