Orchestra

Frutto del confronto tra un'estetica classica ed un approccio contemporaneo all'uso del legno, Orchestra è una sedia che trasmette l'idea di familiarità e di affidabilità attraverso un linguaggio sofisticato e minuziosamente controllato. Philippe Tabet riesce a realizzare un design tanto raffinato ed interessante da rendere Orchestra apprezzabile ed eloquente da ogni angolazione. Le gambe posteriori, a sezione quadrata, leggermente divaricate verso l'esterno, salgono fino a divenire braccioli, trasformandosi in profilo dalle linee curve e dalla piacevole tattilità. Grazie a questa continuità, tutto l'insieme acquista pulizia formale e coerenza. Il comfort è garantito dall'ergonomia della seduta imbottita, che avvolge e sostiene il corpo. Orchestra è perfetta per ogni ambiente della casa, dalla cucina allo studio, alla camera da letto ed è disponibile anche nella versione senza braccioli.

^{EN} Merging a classic aesthetic and a contemporary approach to the use of wood, Orchestra emerges as a chair that conveys the idea of familiarity and reliability through a sophisticated and painstakingly controlled language. Philippe Tabet has cleverly produced such a refined and interesting design that Orchestra is eloquent and attractive from any angle. With their square section, the rear legs are splayed out slightly, morphing into armrests as they travel upwards, drawing a curving and beautifully tactile outline. These unbroken lines lend a clean, cohesive look to the resulting whole. The ergonomic design of the padded seat provides comfort, wrapping round and supporting the body. Orchestra is perfect for any room of the home, from the kitchen to the study or even the bedroom, and also comes in a version without armrests, in addition to the office.
