Abaco

Contemporaneo, essenziale, leggero e funzionale: Abaco è un coffee table dallo stile ricercato e versatile. Le tre snelle gambe della base sono raccordate da una struttura a raggiera che funge anche da sostegno per il piano, una superficie d'appoggio che si trasforma in un vassoio, separabile mediante un semplice gesto. Giocosi o eleganti possono essere le combinazioni delle tre diverse altezze e diametri oltre agli abbinamenti tra piano e base, personalizzabili secondo i colori laccati e le finiture metalliche della collezione Pianca.

^{EN} Contemporary, minimalist, light and functional: Abaco is a stylish and versatile coffee or side table. The base's three slender legs are connected by radial stretchers that also serve to support the top, which can simply be lifted off the base for use as a tray. Three different heights and diameters can be combined in playful or elegant arrangements, with different top and base pairings that can be tailored to personal tastes with a choice of lacquered colours and metal finishes from the Pianca collection.
