Mono

Geometrie lineari, volumi essenziali, struttura compatta: Mono si distingue per la sua leggerezza, per l'eleganza data dagli spigoli diamantati e l'ampia gamma di finiture e dimensioni disponibili. È interamente realizzato in metallo verniciato a polveri epossidiche in tutti i colori della collezione, oppure nelle finiture Corten, Nichel e Peltro, rivestito in Pelle o Pelle sintetica.

^{EN} Linear geometries, pared-back volumes and a compact structure: Mono stands out for its lightness, the elegance afforded by the diamond-like sharpness of its corners and the wide range of available finishes and sizes. It is made entirely from metal with an epoxy powder coating in any of the collection's colours, or in Corten, Nichel and Pewter finishes, covered Leather or Synthetic Leather.
