Designer
Emilio Nanni

Platea

Accogliente, elegante, audace: Platea è una moderna reinterpretazione della classica bergère. Emilio Nanni risolve armoniosamente l'equilibrio tra le parti enfatizzando altezza e ampiezza dello schienale, mantenendone contenuti gli spessori. Il design trasmette un solido impatto formale, attraverso una sintesi che sviluppa la relazione dinamica tra linea retta e curva. La seduta è ampia e confortevole, grazie ad un'imbottitura differenziata, che garantisce il massimo sostegno. Il rivestimento, caratterizzato da una cucitura a punto cavallo, è disponibile in tutte le pelli ed i tessuti della collezione Pianca. Il basamento è composto da una struttura tubolare che contorna esternamente i volumi, terminando a terra con eclettici puntali in ottone. Costituisce un elemento connotante ed è disponibile in tutte le finiture metalliche e laccato opaco. Corredata a scelta da pouf poggiapiedi, Platea è una poltrona perfetta sia per la zona notte che per la zona giorno.

^{EN} Inviting, elegant and bold: Platea is a modern interpretation of the traditional bergère. Emilio Nanni harmoniously balances its parts by putting the emphasis on the height and width of the backrest while keeping its thickness moderate. The design creates a solid, formal impact through a synthesis that develops the dynamic relationship between straight and curved lines. Thanks to its padding featuring different comfort zones, the wide seat ensures excellent support. The upholstery cover stands out for its blanket stitching and is available in all the leathers and fabrics of the Pianca collection.. The base is made up of a tubular structure that follows the contours of the armchair and finishes up on eclectic brass shoes. It is definitely a distinguishing element and is available in all the metal finishes and matt lacquers of the range. Thee perfect bedroom or living room armchair, Platea is also available with an optional pouf. connotative seams around the outer edges.
