ATTICO — NICOLA GALLIZIA 2018

1—
3

Nicola Gallizia offers an elegant programme that develops in a series of coffee tables and tables - round, rectangular, and trapezoidal - with a contemporary design and a classic flavour. Lightness and sobriety, formal essentiality, and attention to detail make Attico an original design solution - the expression of a rigorous and sophisticated design. Accessories with multiple positioning possibilities, usable for any design expression and in all environments. They are made using and alternating steel, aluminium, wood, and stone. In the "table version", they become excellent solutions for convivial spaces or sought-after domestic areas. Colour, material and shape are the inspiration and main trait of the collection.
