**TURNER —**
HANNES WETTSTEIN 2008

Formal moment or relaxing space? Turner, the seating system designed by Hannes Wettstein, combines comfort with refinement. Settees in various sizes, corner pieces, chaises-longue and pouf can be combined together to create different furnishing solutions. Turner responds to varying needs in terms of comfort and posture, thanks to an easy mechanism which adjusts the depth of the seating.

Dimensions in centimeters and inches. The right to discontinue and make changes is reserved. This information is based on the latest product information available at the time of printing.
