

## HUGO — VINCENT VAN DUYSSEN 2018

1—  
2

Hugo is a complement, a collection of versatile and contemporary accessories, but with firm roots in tradition. It is distinguished by severe proportions and classic quotations, by the tactile value of wood. But such memories are ruffled by a contemporary breeze that brings an air of simplicity and the tension of “Less is more”.

## FINISHES

FINISHES OF LEGS  
AND LOWER SHELF  
eucalyptus  
graphite oak  
walnut

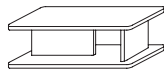

FINISHES OF  
WOOD UPPER SHELF  
eucalyptus
