

VIP Chair

MARCEL WANDERS STUDIO

The V.I.P. Chair lives up to its name: its arms and backrest remind of a royal throne and its comfort emphasizes this impression quietly. However, the V.I.P. chair, designed by Marcel Wanders, doesn't present an overloaded royal sitting device, but a comfort chair that suits in every surrounding.

Detailing

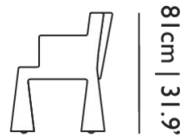

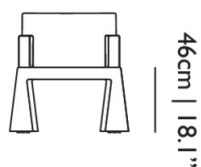

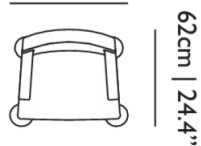

The elegant flared legs, hide an unexpected feature to ride across the room, making this a perfect chair for any conference, meeting or even dinner.
