## **BREEZE** — MATTEO NUNZIATI 2014

1—  
2

Breeze, a compact sofa with an eye-catching line, an appropriate choice to furnish either small city homes or imposing public spaces such as lobbies of big international hotels. The construction choices have a recognisable image. The feet have essential but strong lines. There is a continuous seat without cushions with a sinuous and comfortable armrest.

### **FEATURES**

Matteo Nunziati presents “Breeze”, a program of essential sofas with a very original appearance. The surprising balance of the elements arises from the reduction of all superfluous elements and the proportioned construction of the individual components: the minimalist feet have a sharp but discreet shape, the seat is continuous without cushions, and the armrests are slinky and cozy. The seat, in polyurethane foam in different thicknesses, is integrated into the structure. The down backrests (CU/50) can be positioned as desired.
