

GLOVE-UP — PATRICIA URQUIOLA 2016

1—
2

Glove-Up is the evolution of a rigorous design theme, featuring sinuous, moulded and softly linked lines. A balance of forms which, from the fluid line of the backrest, flows into the lightness of the legs. An inviting chair or small armchair, upholstered in fabric or leather, make Glove-Up fun and versatile, suitable for any classic or contemporary setting.
