

Struttura: in metallo, sottoposta a tre fasi di lavorazione: sabbatura, primer zincante per esterno (favorisce e migliora l'aderenza della vernice di finitura) e verniciatura in polvere poliestere per esterno disponibile esclusivamente nel colore Peltro lucido. Le strutture in metallo hanno un decoro geometrico realizzato al laser su disegno esclusivo Minotti Studio. Schienale e braccioli rivestiti con un filato in polipropilene intrecciato Taslan (processo di testurizzazione a getto d'aria), Ø 7 mm, disponibile nei colori Grigio Chiaro e Marrone Scuro e Ø 8 mm disponibile invece nei colori Sand, Sunflower, Ruggine e Verde Khaki.

Cuscineria: cuscini sedile e schienale in poliuretano espanso ad alta resilienza e fibra idrorepellente ecocompatibile.

Sfoderabilità: cuscini sedile e schienale completamente sfoderabili.

Appoggio a terra: scivolante protettivo in polietilene.

RAIN COVER OPTIONAL

Speciali fodere di protezione, realizzate in un tessuto impermeabile, disponibile per ogni elemento a listino.

Structure: metal, processed in three phases: sand blasting, zinc primer for exterior use (fosters and improves adhesion of the finish paint), and exterior polyester powder coating available exclusively in polished Pewter colour. The metal parts have a laser-cut geometric decoration based on an exclusive Minotti Studio design. Backrest and armrests covered in 7 mm Ø Taslan (air texturization process) braided polypropylene fiber available in Light Grey and Dark Brown; and Ø 8 mm available in Sand, Sunflower, Rust and Khaki Green colours.

Cushions: seat and backrest cushions in high resilience polyurethane foam and eco-friendly water-resistant fiber.

Covers: seat and backrest cushions can be completely removed.

Slides: protective polyethylene.

OPTIONAL RAIN COVER

Special protective covers, made of waterproof fabric, available for every item on the price list.

Struktur: Aus Metall, behandelt in drei Bearbeitungsphasen: Sandstrahl, Zinkprimer für den Außenbereich (garantiert eine bessere Haftung der Endlackierung) und Polyesterpulverlacke für den Außenbereich, ausschließlich glänzend zinnfarbig erhältlich. Die Eisenstrukturen folgen haben ein geometrisches Lasermuster, das nach einem exklusiven Design von Minotti Studio realisiert wurde. Rückenlehne und Armlehnen sind mit einem Polypropylen-Geflecht Taslan (Luftdruck-Texturierung), Ø 7 mm, versehen, erhältlich in folgenden Farben: Hellgrau oder Dunkelbraun, sowie ebenfalls mit Ø 8 mm Geflecht, erhältlich in folgenden Farben: Sand, Sunflower, Rostrot und Khakigrün.

Kissen: Sitz- und Rückenkissen aus hochelastischem Polyurethanschäum und wasserabstoßender,

umweltfreundlicher Faser.

Abziehbarkeit: Sitz- und Rückenkissen vollkommen abziehbar.

Bodenaufgabe: Gleitschutz aus Polyethylen.

RAIN COVER OPTIONAL

Spezifische Schutzüberzüge aus wasserdichtem Stoff sind für alle Elemente in der Preisliste erhältlich.

Structure : en métal, soumise à trois phases de fabrication : sablage, primer zinguant pour extérieur (favorise et améliore l'adhérence de la peinture de finition) et peinture au polyester en poudre pour extérieur disponible uniquement dans la couleur Étain brillant. Les structures en métal ont une décoration géométrique réalisée au laser d'après un dessin exclusif Minotti Studio.

Dossier et accoudoirs revêtus d'un fil de polypropylène tressé Taslan (procédé de texturation par jet d'air), Ø 7 mm, disponible dans les coloris Gris cclair et Marron Foncé, et Ø 8 mm disponible en revanche dans les coloris Sand, Sunflower, Rouille et Vert Kaki.

Coussins : coussins de l'assise et du dossier en polyuréthane expansé à haute résilience et fibre hydrofuge écopatible.

Déhoussage : coussins de l'assise et du dossier entièrement déhoussables.

Patins : glisseurs en polyéthylène.

RAIN COVER OPTIONAL

Housses de protection spéciales, réalisées en tissu imperméable, disponibles pour chaque article du catalogue.
