Alpacca

Ottone anticato
Antiqued brass

Geode

cemento grigio scuro
dark grey concrete

Lampada a led con struttura in **ottone anticato o in alpacca**, con **vernice opaca**. Base in **granito Geode lucido o in cemento grigio scuro**. Le ossidazioni, uniche nel loro genere, sono di origine organica e realizzate a mano.

Ogni pezzo, riconoscibile per i propri singolari segni cromatici, sarà quindi unico.

Possibile dimmerazione previa richiesta all'ufficio tecnico e conseguente preventivo.

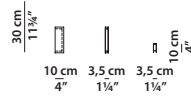

Led lamp with **antiqued brass or alpacca frame, with matte varnish**. Base in **glossy Geode granite or in dark grey concrete**. Oxidations, with their organic origin, are unique in their being and fully handmade.

Each piece will thus be one of a kind, having particular chromatic features as its own peculiarity.

Dimming is possible subject to request to the technical department and consequent quotation.
